**Payment of Annual Fees**

By December 15 an annual fees statement will be sent to cover MSV services for the immediate next calendar year to providers of continuing medical education accredited by the Medical Society of Virginia. Payment will be due the following January 31. A 1% late fee will be applied to unpaid invoices beginning February 1 and the first of each month thereafter. If payment is not received by June, the sponsor will be warned that non-payment will lead to withdrawal of their accreditation status. Final action on withdrawal will be taken at the November meeting of the MSV Council.
