

Extra Mile Pediatrics, Inc.

- P.O. Box 3415

- N. Chesterfield, VA 23235

Dear Medical Society of Virginia Foundation,

Extra Mile Pediatrics is a medical nonprofit dedicated to providing repeated, quality care to children in developing areas of Central America where families have difficulty accessing even the most basic healthcare. On September 24th, we are excited to be hosting a signature event called “DocTails”. The event will be held at the Black Iris Social Club and will feature some of Richmond’s most creative bartenders with the help of some of the amazing volunteers who have given their time to serving on field teams with Extra Mile Pediatrics in communities in El Salvador and Guatemala. By having these folks behind the bar, we hope to engage our audience at the event with our story and help those who support us gain a better understanding of the work we are doing consistently in Central America. All funds raised through this event will go to further the care we are able to deliver to the children of these communities.

We would be honored if you’d consider making a tax deductible donation for the silent auction which will be one highlighted feature of this year’s event. We plan to display auction items both in person and online, to showcase both your business and its community support. Additionally, donations will be listed on our website along with the businesses offering them, which we hope will further highlight your generosity.

As a 501(c)(3) nonprofit organization, Extra Mile Pediatrics will provide a letter detailing the value of your donation and tax identification number.

Thank you in advance for your support of DocTails and of the amazing families and communities Extra Mile Pediatrics serves.

Sincerely,

Jeff Mapp MD, MBA
Executive Director
