A. The Society may pay or reimburse the reasonable expenses incurred by any applicant who is a party to a proceeding in advance of final disposition of the proceeding if:

C. Determinations and authorizations of payments under this section shall be made in the manner specified in Section 5.

right under policies of insurance that may be purchased and maintained by the Society or others, with
respect to claims, issues or matters in relation to which the Society would not have the power to
indemnify such person under the provisions of this Article, but no individual shall be entitled to be
indemnified more than once for the same claim and that credit will be given to the Society for any
collateral source reimbursement.
