Vaccination Resources with QR Codes: COVID-19 and Boosters

The resources on each page below will help you to educate your patients, customers, or constituents about various vaccination topics. Click the links on the menu below to access the resources of your choice. You can print any page and post them in your office, practice, facility or community organization. Do not post this first page. A link is included for each resource in case accessing a QR code is not possible.

Helpful Tip: Each page contains a QR code with instructions for using a cell phone to access the tool. Familiarize yourself with the use of QR codes if the person wanting to access a resource has questions.

Resource Contents

1. Find COVID-19 Vaccines Near You
2. Find Flu Vaccines Near You
3. Myths and Facts about COVID-19 Vaccines
